

REQUEST FOR EXPRESSION OF INTEREST  
SALE OF **SCRAP METALS– AC21122E**

WSRC is seeking firms who are interested in purchasing and removing **Scrap Metals** from the Savannah River Site. WSRC expects the Sales Agreement to be in place for five (5) years.

The sale consists of **unsorted mixed scrap iron, mixed furniture, unprepared stainless, mixed contaminated aluminum and insulated copper with attachments of brass and steel**. Purchaser may have special pick-ups that require shredding. Purchaser will have to furnish and install a radiation monitor system and provide 40-45 yd. roll-off pans.

The purchase is subject to WSRC's Terms and Conditions.
